ABOUT US

We are more than just a brand, we're a social movement. Behind our brand we're a young group of motivated and ambitious change makers. By purchasing our products, you're supporting a better today, a better tomorrow and a better life for someone. For every product purchased, IMPAPER (Impact Paper) will make a **contribution** to a specific cause to help improve the lives of others. We give annually through local and international non-profit organizations such as UNICEF, Trees for the Future, Feeding America, the Global Family Foundation and more. We aim to **empower** our customers to create a better future for those in need. Our priority is to make the world a better place and play our part in solving global problems.

IMPAPER ventures to bring creative and originally designed gift & stationary products that make a difference. All of our products are designed and made in-house in Alberta, Canada since 2015. We aim to bring forth a line of products that reach out to our customers whether it be through **inspiration** or **amusement**.

Thank you for joining us and helping us make an impact.
We look forward to working with you for years to come!
